Jones Claims Pny. The following notice was served upon City Clerk W. F. Sapp yesterday morning by Saunders & Stuart, counsel for R. W. Jones, whom the Fire and Police commisstoners by a vote of 2 to 1 ounted out of the position of chief of the fire department Friday night:

Friday night:

To the City of Council Bluffs. Ia., Donald Macrae, ir., mayor hereof, and the city of council Bluffs. Ia.:

You and each of you are hereby notified that I claim to be the lawful chief of the fire department of the city of Council Bluffs, Is., and that I am ready and willing at all times to discharge my duties as such, and you are further notified that an illegal and unconstitutional body having no expitences in law but styling themselves as a Board of Fire and Police commissioners are interfering and attempting to prevent me from acting as chief of the fire department of the city of Council Bluffs. Ia You are further notified that I shall claim my pay as chief of the fire department of said city, and that I demand that you recognize me as chief of said fire department.

B. W. JONES

R. W. JONES. Dated this let day of June. 1907.
The notice will come before the city enuncil at its meeting tomorrow night, but no action beyond ordering it placed on file will, it is expected, be taken.

None of the commissioners was willing o discuss the matter yesterday or to give any information as to when a successor to Jones would be named. Unless it can be shown that they have no legal right to do so both Commissioners Sargent and Zurmuchlen announce that they will vote for Charles M. Nicholson for chief of the fire department. If under civil service rules Nicholson cannot be appointed to the position it is likely that Frank Hitchcock, one of the old-time members of the department and at present acting chief, will be made chief.

The quo warranto proceedings instituted on behalf of Jones attacking the constitutionality of the act creating the Fire and the August term of the district court.
